

# 2018 WINTER COMPETITION REGISTRATION VERY IMPORTANT – PLEASE READ

Registration for the 2018 Winter touch competition is online. Please go to the Excel spreadsheet that is in the download section of the website. There will NOT be a registration night, with all forms due by **Friday 2/3/2018**. **THIS IS ONE WEEK EARLIER THAN NORMAL – BEING THE FRIDAY BEFORE GRAND FINAL DAY.**

Registration fees are \$60 for seniors (18 years or older on 5/8/2018) and \$30 for juniors (13-17 years old on 5/8/2018).

If you require a change of your sponsor's logo on the shirts, an additional \$20 charge will apply. The Committee takes all care but no responsibility for the use of the team logos and printing. We will provide all images and requests to the screen printer, but nothing further.

Given the continued growth of this competition, it is possible that we will have to limit the number of teams playing. Otherwise there will be more games than fields available. Accordingly, the Committee is left in the difficult position of having to make a decision on how to keep the number of teams down to the maximum level possible. Accordingly:

- There will be a maximum number of teams set for this competition;
- There will be two categories of registration:
  - fully paid, sponsored teams; and
  - individual players (fully paid).
- Teams wanting to play need to have a registration sheet completed for the entire team. Registration sheets are available in the downloads section of the web site, at [www.jamberootouch.com.au](http://www.jamberootouch.com.au).
- To register your team, you **must**:
  - Have **at least 12 players noting all required details** (at least 7 male players and 5 female players). To get the best possible level of participation, the Committee reserves the right to inject players into teams with less than 15 registered players;
  - Nominate a Team Manager and two Referees (providing their phone number and email addresses) – **incomplete nominations WILL NOT be accepted**;
  - Have a Manager that is aged 18 or above. This Manager does not have to be a player, but is required to sign off their compliance and understanding of the Code of Conduct of this competition;
  - **Have a team name and sponsorship** (still only \$150) - if you supply a logo and web address, we can put this on the web site if you would like; and
  - Be fully paid up (including sponsorship) - **there will be no IOUs**.
- Should the maximum number of teams be exceeded, preference for registration will go to teams that:
  - have a long history supporting and playing in our competition;
  - register a full team;
  - have been meeting their commitments in past competitions with respect to:
    - fulfilling their refereeing duties,
    - fulfilling their BBQ duties,
    - notifying the Committee prior to forfeiting any games, and
    - handing in the sign-on team sheets **each and every** round.
- Registration for individual players will be on a first-come-first-served basis, provided you have been meeting your commitments.
- Teams or players not able to be registered will be refunded.
- Once registered, there will be no refunds made to players or teams. **Teams wishing to make changes to their registered players must do so by contacting the Committee PRIOR to Round 1 – even then there is no guarantee that we can accommodate your request. After this time, only teams with exceptional circumstances will be permitted to change players.**

Please remember that the decisions of the Committee are hard but necessary ones which are made in the best interests of the competition as a whole. The decision of the Committee will be final.

If you would like to contribute towards the success of this competition, please see any of the Committee to get involved. Any and all assistance is greatly appreciated.
